

# Positive Transitions:

## Empowering Seniors And The People Who Love Them

Please join us for a Virtual Town Hall hosted by ElderNet of Lower Merion and Narberth's Advocacy Committee.

The COVID-19 pandemic has left many older adults and those who love and care for them feeling vulnerable, lost, and alone as they struggle to adapt to the transitions that are a natural part of their aging journey. Our panel of senior care experts will answer your questions about when to be concerned about changes in cognitive abilities, how to know if they can live independently, what to do if they can't, how to discuss and assist with life transitions, how to plan now for future needs, and who to call for **free advice** along the way.

**When: Wednesday, April 28th, 2021**

**7:00 p.m.**
