

ElderNet Volunteer Newsletter

September 2022

I'm excited to begin this regular communication with our Eldernet volunteer community to share news, events, concerns and participant needs specific to our volunteers.

Anyone interested in helping an ElderNet participant with grocery shopping? Please let me know.

We are beginning to organize for the annual Thanksgiving Meal Project which provides a holiday meal to 150+ families in our community. If you are interested in donating food and/or helping to distribute meals prior to Thanksgiving Day, please send email to mbuller@eldernetonline.org.
